Parking Permit Purchase

If you will be parking on campus, you will most likely want to purchase a parking permit. If you have not already done so, you can now purchase your permit on-line.

The rates for the 2018-2019 academic year are $444.00 + $25.00 for the RFID hangtag. Permits are active from July 16, 2018 through March 17, 2019.

Online Purchase

If you would like to purchase a permit for this academic year, please visit https://wayne.t2hosted.com/Account/Portal and follow the on-screen instructions under “Get Permit” to purchase your parking permit on-line.

- When making your purchase on-line, you will login the same as Academica with your ACCESS ID and password. (See April 2018 Checklist for directions to set up your ACCESS ID.)
- You will also need to select Structure 4 (which will appear as P75-PS4-Structure 4) as your assigned location.
- Structure 4 is the closest WSU parking facility with assigned student access to the SOM campus, however, your RFID tag will allow you access to the surface lot (lot 75 located next to PS#4) after 7:00 p.m. on weekdays and all day on Saturdays and Sundays. (Note: Access may be limited during construction.)
- If you live on main campus or in the surrounding area, we can add another location at one of our 24 hour facilities. You may do this by either contacting the OneCard/Parking Service Center at 313-577-CARD (2273) or email parking@wayne.edu.
- If you purchase your parking permit on-line, your permit will be mailed to you and you can use your OneCard until you receive your permit in the mail.

Driving Directions

Road Construction

If you will be traveling to the School of Medicine via I-75 South, please note that the exit to Warren Ave. is currently closed due to road construction. Please allow yourself extra time as the streets around the school will be more heavily congested during these first few busy days. It may also take a few extra minutes when entering the parking lot/structure.

Continue on Mack Ave. to Beaubien St.
Turn right on Beaubien St.

Please Note: This suggested route was open and free from additional construction as of this afternoon (July 10), but please be aware that construction and road conditions change daily during the summer months. You may need to consult your GPS for other alternate routes.

**White Coat Name Pronunciation**

All students now have the opportunity to use NameCoach to voice-record their name pronunciation for the White Coat Ceremony. Using this free on-line tool can greatly reduce the chance of name mispronunciation.

Visit the link below and follow the instructions:

- Type in your name as you would like it announced at the White Coat Ceremony.
- List the phonetic spelling of your name.
- Enter your phone number and the system will call you and prompt you to record your name pronunciation.
- You can re-record your name as many times as you like until you are comfortable with how it sounds (be sure to speak slowly and clearly, with minimal background noise).

Once recorded and saved in the system, Dean Sprague can review and practice your name pronunciation so it can be read correctly at the White Coat Ceremony.

- Please visit this link to take advantage of NameCoach: [https://www.name-coach.com/record/SOM72718](https://www.name-coach.com/record/SOM72718)
