White Coat Name Pronunciation

All students now have the opportunity to use NameCoach to voice-record their name pronunciation for the White Coat Ceremony. Using this free on-line tool can greatly reduce the chance of name mispronunciation.
Visit the link below and follow the instructions:

☐ Type in your name as you would like it announced at the White Coat Ceremony.
☐ List the phonetic spelling of your name.
☐ Enter your phone number and the system will call you and prompt you to record your name pronunciation.
☐ You can re-record your name as many times as you like until you are comfortable with how it sounds (be sure to speak slowly and clearly, with minimal background noise).

Once recorded and saved in the system, Dean Sprague can review and practice your name pronunciation so it can be read correctly at the White Coat Ceremony.

☐ Please visit this link to take advantage of NameCoach: https://www.name-coach.com/record/SOM72718
